HANIF TEXTILE MILL

ABOUT THE COMPANY

Hanif Textile Mills (HTM) comes from a long legacy of successful Textile Merchants immersed in the Textile Trade for over a hundred years. Hanif Textile Mills (HTM) was established in 1977, in the Southern Textile hub of Madurai, TamilNadu. The business was originally started as a national distributor of Madura Coats Fabric and various other brands. As our operations grew, we established an office in Mumbai, India in the early 80's. Subsequently, the operations were expanded to include wholesale and retail trading of Textile goods targeting the South Indian Domestic market. In 1986 HTM was registered with Texprocil, AEPC, and started exports of Textile products to the United States of America.

Over the last 34 years HTM has exported more than 100+ products at large capacities to the US, UK, Australia and many other countries. Today, we are a vertically integrated Manufacturer and Exporter of Industrial Garments, Tote Bags, Dust Sheets (Drop Cloths), Towels, Blankets, Gloves and Masks.
